Cincinnati Children’s Hospital Medical Center (CCHMC) is recruiting Counselors (typically undergraduate students) for our Summer Treatment Program (STP). The STP is an award winning, evidence-based program for children ages 6-12 with Attention-Deficit/Hyperactivity Disorder (ADHD) developed by William Pelham, Ph.D. and colleagues. The STP has been listed in SAMHSA’s National Registry of Evidence-based Programs and Practices.

Counselors will receive extensive clinical training and approximately 250 hours of face-to-face clinical experience working with children with ADHD and related behavioral, social, and academic difficulties. Counselors are assigned to groups of 10-15 children, with 4-6 counselors per group. Counselors implement behavior modification procedures during sports, social skills training, art, and academic activities. Counselors will provide feedback to children and parents and record behavioral data for children in their groups. They also receive daily performance feedback from experienced staff members who provide live supervision. COVID-19 vaccination is required of all Cincinnati Children’s employees, contractors, volunteers, vendors, and students who work onsite at any of the medical center’s facilities. Safety precautions followed by the hospital will be implemented due to the COVID-19 pandemic.

Counselors must be available to work full days from May 30th, 2023 through August 2nd, 2023. The beginning of employment will include a multi-day training session. Hired counselors will be responsible for reading the STP manual and memorizing some of the contents prior to beginning employment.

Undergraduate and graduate level students interested in Clinical Psychology, School Psychology, Education, Social Work, Psychiatry, or Pediatrics are encouraged to apply. Experience gained at the STP may also be beneficial in preparation for careers in education, mental health, physical education, recreational therapy, behavior analysis, social work, and counseling.

To apply or view more information, visit our website and complete the counselor application: www.cincinnatichildrens.org/stp

*We will review applications as we receive them and recommend applying as soon as possible.

Cincinnati Children’s is an Equal Opportunity Employer and Summer Treatment Program team is committed to provide equal job opportunities to all people without regard to race, color, religion, creed, gender, gender identity or expression, age, national origin, ancestry, citizenship, mental or physical ability, sexual orientation, marital status, family status, veteran status, genetic information, or any other basis protected by federal, state or local law. We value diverse perspectives and backgrounds and are committed to the recruitment of culturally and ethnically diverse staff. We encourage underrepresented minority candidates to apply. Information about the Cincinnati Children’s DEI plan is available here: About Cincinnati Children’s | Diversity, Equity and Inclusion.
